Re: Docket No.: 96-6 CARP-NCBRA

As discussed during our last phone conference, enclosed find the original signature page for the REPORT OF THE PANEL in the above identified matter. I understand you will deliver the REPORT to the Copyright Office on July 23rd, which will complete our participation on this CARP.

In closing, I want you to know that I enjoyed working with you and Judge Gulin with excellent support from Gina Giuffreda, Esq. on this most interesting and challenging proceeding. I welcomed and was impressed with the professionalism of your chairing the hearings and our deliberation sessions. In addition, I found Judge Gulin's work on the brief to be outstanding and of the highest professional order.

Let the three of us stay in touch with each other and, hopefully, we will have the opportunity to work together again in the future.

With warmest personal regards,

Ed Dreyfus
